WELCOME TO THE WINTER WORKS REQUEST BOOKLET 2021/22

DARTHAVEN

SERVICES

HOW THE PROCESS WORKS:

1

Your details

Please check that the pre-filled details are correct. Should any amendments need to be made, please make a note of this on page 18.

2

What can we do for you?

Please complete the forms below for each department or the works that you wish to have carried out during the coming winter months. Our professional service teams will ensure your boat is ready for the 2022 season.

3

We will do the rest!

Once you have completed the form and selected the services you would like us to complete, please return the booklet or PDF back to us by post, email or in person. Please email to service@darthaven.co.uk.

What happens next...

Once your booklet or PDF has been received your selected services will be raised as works instructions and the Service Office will be in contact to confirm your requested works. For works that require an estimate, these will be processed and sent out in due course with acceptance forms.

How can we help...

Should you have any questions while completing this document please do not hesitate to contact the Service Office - 01803 752242 (option 3) or email service@darthaven.co.uk.

YOUR DETAILS

BOAT NAME & DETAILS

Account:

Boat Name:

Boat type: Sail Power

Length (Please indicate metres or feet)

Please complete and return this information as soon as possible. Early receipt of your completed 'Works Request Booklet' allows us to plan work into our schedule, giving us more time to meet your needs.

All works are carried out by Darthaven Services staff who are trained and experienced in a large range of marine services. If you do not see the service you require listed in the forms below or your request is more bespoke, it is very likely that we can help.

Please make a note of this on page 18 - Notes & Your Requirements or contact the Service Office directly who will be happy to assist. If more information is needed, a member of the Darthaven team will contact you and an estimate will then be issued.

We look forward to welcoming you ashore or afloat this winter at Darthaven Marina.

HAULING

LIFT, LAUNCH & STORAGE

Lifting your yacht or motorboat at Darthaven is a stress free experience, our hoist benefits from being able to lift and launch at all states of tide.

Our holding pontoon allows easy access and time to prepare before being lifted ashore. The quayside team have years of experience in lifting all types of vessels and treat each boat with care and attention. Once on the quayside our expansive clean, concreted surfaces make for a pleasurable working environment with easy access to electric and water points.

OUR HAULING SERVICES:

- ✓

40 tonne travel hoist operating at all states of tide
- ✓

Lifting boats up to 20 metres in length and 4.95m in beam
- ✓

1.5 tonne crane for stepping and unstepping masts & engine removal
- ✓

An easy to access holding pontoon for boats up to 20 metres in length

ALL BOATS LAUNCHED AT END OF WINTER PERIOD UNLESS OTHERWISE STIPULATED

ENGINEERING

INBOARD ENGINE(S), YOUR VESSEL & PROPULSION GEAR

(Please tick one or more box if required)

SERVICE	WHAT WE DO FOR YOU...	GO AHEAD (PLEASE TICK)	ESTIMATE
Engine Servicing	Let us do the dirty work this winter with a full engine service using only genuine parts and service items. Please add any comments to note box on page 18.	<input type="checkbox"/>	<input type="checkbox"/>
Your Engine Details	Make & Model _____ Serial No. _____ Single <input type="checkbox"/> Twin <input type="checkbox"/> (Please mark appropriate)		
Outdrive Service	Either full or intermediate. (Please mark appropriate) <input type="checkbox"/> Full (drive off, bellows, oil, anodes and o-rings) <input type="checkbox"/> Intermediate only (Anodes, oil and o-rings)	<input type="checkbox"/>	<input type="checkbox"/>
Saildrive Service	Changing your oil and anodes will help prolong the life of the saildrive to ensure it stays in great working order. <input type="checkbox"/> Oil, Anode(s), O-rings and inspection	<input type="checkbox"/>	<input type="checkbox"/>
Your Propeller & Stern Gear	Having a clean prop improves efficiency. But we go just that bit further. (Please mark appropriate) <input type="checkbox"/> Burnish propeller, strip (if folding) and grease ready to re-fit in the spring <input type="checkbox"/> Burnish rudder(s), P-bracket(s), shaft(s) & trim tabs	<input type="checkbox"/>	
Checking Stern Gear	We will check your trim tabs, bellows, rams, cutlass bearing, prop and shaft for signs of damage or wear and report on anything suspect found.	<input type="checkbox"/>	<input type="checkbox"/>
Winterise/Re-Commission	Sea water within your engine can freeze and crack major components very quickly. We will protect against this with an antifreeze fluid flush. (Please mark appropriate) <input type="checkbox"/> Winterise engine/engines <input type="checkbox"/> Winterise generator <input type="checkbox"/> Air conditioning unit, please advise <input type="checkbox"/> Toilets, shower boxes & deck shower <input type="checkbox"/> Drain water tank(s) & calorifier (Remove the risk of damage to plumbing) <input type="checkbox"/> Re-fill tanks in the spring before launch ready to go	<input type="checkbox"/>	<input type="checkbox"/>
Stern Gear & Trim Tab Anodes	We will change all stern gear and trim tab anodes where required. This includes but is not limited to anodes for the prop shaft, propeller, bow/stern thruster.	<input type="checkbox"/>	<input type="checkbox"/>

ENGINEERING

GENERATOR SERVICING

(Please tick one or more box if required)

SERVICE	WHAT'S INCLUDED?	GO AHEAD (PLEASE TICK)	ESTIMATE
Generator Service	<p>Keep your generator well maintained with an annual service and health check. We use only genuine parts.</p> <p>Please add any comments to note box on page 18.</p> <p>Make & Model _____</p> <p>Serial No. _____</p>	<input type="checkbox"/>	<input type="checkbox"/>

OUTBOARDS

OUTBOARD SERVICING & MAINTENANCE

(Please tick one or more box if required)

SERVICE	WHAT'S INCLUDED?	GO AHEAD (PLEASE TICK)	ESTIMATE
Outboard Servicing	<p>Have your outboard engine serviced right here while at Darthaven. Our qualified technicians will carry out the necessary so your outboard remains in fine working order.</p> <p>Please add any comments to note box on page 18.</p> <p>Make & Model _____</p> <p>Serial No. _____</p> <p>Single <input type="checkbox"/> Twin <input type="checkbox"/> (Please mark appropriate)</p>	<input type="checkbox"/>	<input type="checkbox"/>
Winterise/de-winterise	<p>Winterising your outboard will help protect it from winter conditions and maintain the internals of your engine including the fuel system for £32.00 + VAT.</p> <ul style="list-style-type: none"> Stabilise your fuel system to prevent the fuel from going off. Spray fogging oil into the air intake. This will protect cylinders and internal components against moisture damage. Run up on fresh water to flush out salt deposits. 	<input type="checkbox"/>	<input type="checkbox"/>
Storage	<p>Are you fed up with having to remove your heavy outboard for both safety and storage reasons? Let us remove, store and refit your outboard before re-launching in the spring (up to 10hp). Limited space available.</p> <ul style="list-style-type: none"> Just £15.00 per month + VAT 	<input type="checkbox"/>

TERMS & CONDITIONS

- All prices shown are per metre excluding VAT unless otherwise stated.
- Polishing superstructure or wholeboat options includes radar arches and flybridge areas.
- Treatment prices are based on a measurement taken from the furthest forward and stern point.
- The treatment end results are governed by the quality of gelcoat and the general condition of the exterior of the boat.
- Treatment prices exclude tenders and toys that are stored onboard.
- Treatment prices exclude seat covers, canvas covers etc. Separate additional treatments are available for these items upon request.
- Prices exclude any gelcoat repairs. These are available if required by separate estimate. Please call our service office to arrange for an estimate.
- Antifouling 1.5 coats includes applying a 2nd coat from the water line 40cm down, keel & rudder.
- These prices do not include lift, wash or re-launch.
- Our antifouling package prices assume the hull is in suitable condition to correctly apply the antifouling.
- Any further preparation needed will be estimated before any works commence.
- Outdrive antifouling includes the preparation and spraying of both the drive and transom shield.
- Saildrive antifouling includes the preparation and painting of the saildrive leg.
- Prices Valid from 1st of September 2021 until the 1st of September 2022.

For more information please contact our Service office on 01803 752242 or email service@darthaven.co.uk
