WELCOME

On behalf of all of us at Darthaven Marina, I extend a warm welcome to all our berth holders and visitors in 2019. Darthaven is a family run business that

provides an excellent range of marine services for boat owners. We have built our expertise over 40 years and take great pride in serving our customers well.

Our chandlery remains one of the best stocked in the South West and its recent refurbishment and reorganisation means we are better placed to serve our customers' needs.

Darthaven are proud to be an authorised Volvo Penta Centre, one of only ten in the UK. As well as servicing all brands of inboard engines, we also maintain and repair all types of outboard engines, specialising in Suzuki Marine for which we hold the dealership. Our Electronics department will similarly supply, install and service a large range of the latest in navigation and marine technology whilst the Shipwright department is renowned for its skilled and high quality repairs and yacht refinishing.

The boatyard boasts a new 40 tonne travel hoist which can operate at all states of the tide.

All our staff are highly trained with many years of experience in their respective fields. You can find much more detail about the services we offer in this Yearbook.

The River Dart is one of the most attractive ports of call anywhere on the South Coast and beyond. As well as great boating, the town of Dartmouth and the surrounding countryside (a designated Area of Outstanding Beauty) have a lot to offer the berth holder and visitor - whether it's our restaurants and shops or things to do and places to visit. The area is rich in history and the river itself makes it well worth a trip to Totnes to see the beautiful scenery and wildlife. You'll find much information in this guide about the area to make your stay with us more enjoyable.

Our team looks forward to helping you out with any extra services that you may need during your time with us.

kind regards

John Holman,
Managing Director

Darhaven Marina has 270 berths in total set over four main pontoons. We pride ourselves on keeping a clean and well-maintained environment throughout the year.

Water and electricity outlets are available in every location and berth, along with well-lit walkways making for safe use during the evenings and at night. 16amp & 32amp electricity is available (32amp with selected berths only).

Berth holders are reminded to ensure their **mooring lines are suitable for winter storms etc** – if unable to get down to your boat or nervous about your boat's security over the winter, please give the berthing office a call and they will be happy to check on your behalf. It's a good idea for berth holders to leave **boat keys with the Marina Office** . . . just in case a problem arises in the boat owner's absence.

NEW BOAT SALES

Darhaven Marina are proud to be appointed dealers for both Beneteau Outboard and Williams Jet Tenders. Perfect for creating family memories spent on the water whether it's fishing, waterskiing or cruising the South West coast line, we are sure to have the perfect model to suit all your boating requirements. We offer a knowledgeable, experienced and friendly service that is second to none.

BENETEAU OUTBOARD

The Beneteau adventure began more than a century ago on the quays of Croix-de-Vie in Vendée, France. For more than 130 years, the core of the boatyard's profession has been innovation and a passion for yachting. Today, more than 100,000 Beneteau vessels have sailed the seas of the world. Their growing number of keen owners, share the same values of performance, modernity, safety and respect at the helm.

ANTARES

A classic pilothouse boat for short cruises that will never go out of fashion. These fisher cruisers are safe and highly seaworthy thanks to a flared hull, and they enjoy the performance you only get from an outboard engine. The four outboard Antares are well-known for their cosy interiors and level of equipment, making them a joy to own and a best seller range.

A stylish day-boat with a unique concept of one Air-Step® hull for a choice of three different deck plans, the Flyer is a distillation of technology. The SpaceDeck, SunDeck and SportDeck, with 10 spacious models between 5 and 9 metres, are undoubtedly an achievement in terms of design. Let the fun begin.

The sea is your playground. Seaworthy, safe and powerful, the Barracuda is a sport fisher full of character. The four outboarders of this range have a cleverly designed deck plan. The quantity and quality of their fishing equipment, and the comfort they offer on board, make them perfect for the demanding owner. Most definitely a winning range!

WILLIAMS JET TENDERS

Williams are the tenders of choice around the world because they work beautifully. Blending pure pleasure with practicality, getting from ship to shore has never been more stylish.

With unmatched function and reliability, the Williams product provides the service solution to a fast tender or small day boat. All of our technicians attend regular product and power unit training at the Oxfordshire based factory.

Covering the entire South West, we are also able to provide servicing, repairs and warranty support as well as new sales.

BRONZE	SILVER	GOLD
<p>This package starts by preparing your boat by washing the hull & superstructure and is finished by drying all surfaces. Next we use cutting compound to remove oxidation and then we machine polish to achieve a high gloss finish. High quality products are used throughout this process.</p>	<p>Further to the bronze treatment, the silver standard includes the application of 3M Marine ultra wax. The paste wax vastly reduces the risk of UV damage and gelcoat fade. This product also seals the surface for long lasting weather protection of up to 18 months. We then hand buff to leave a high shine finish.</p>	<p>In addition to the services included in our bronze and silver treatments, our gold treatment includes one coat of anti-fouling in a colour of your choice. Also included is a two part chemical teak or non slip surface clean and polishing of all stainless exterior fittings to remove water spots and minor scratches</p>

BALTIC YACHT BROKERS

We have over 20 years experience in the boating business and sell boats locally, nationally and internationally. We pride ourselves on giving a 1st rate personal service, and over the years have built up good local business connections with strong overseas contacts, more specifically within the Mediterranean and Caribbean areas.

We still recognise the continuing need for the traditional style of brokering, since actively participating in selling your own boat doesn't always suit every boat owner.

But now running in parallel with the full brokerage service, we introduce our new flexi brokerage service, where we can offer our assistance to more owners at any stage of the selling process, in any geographic location.

We list all types of boats from Dory to Super Yachts; don't hesitate to contact us if you are thinking of selling, whether it's for a full or flexi brokerage.

We will advertise your boat on the major industry websites ensuring your boat is found easily. Call Steve Jackson on 01803 865321 or 07970 446189 to discuss your needs.

MAINSTAY YACHT MAINTENANCE

(SEE ADVERT OVER THE PAGE)

Our specialty is the diversity of jobs we will do on your boat from basic maintenance, antifouling, polishing, indeed all the nasty bits that an owner might not want or have the time to do. We look after both sailing and motor boats all year round particularly for owners who can't get to their boats often.

We currently work on at least 30 boats regularly throughout the year as well as undertaking many ad hoc jobs on others.

If you're an absent boat-owner, we'll also prepare your boat before you visit, even topping up the fuel tanks, maximising the time you have to use the boat. We'll do the basic housekeeping, valet the boat and even fix the toilets if necessary.

We've got many years' experience of handling all sorts of boats from small to very large. If you need us to move your boat, perhaps organising its lift-out, then you can rely on us. Owners value our integrity knowing

We offer a comprehensive service for all rigging requirements such as furling systems, winches, standing & running rigging, lifelines, hoisting assemblies, dock lines, fender lines – you name it, we do it!

We can even spark your imagination with our range of Eco friendly motor-yachts, which have caused quite a stir in the marine industry.

Phil Howling has owned and run Network Yacht Brokers Dartmouth since 2008 having cut his teeth as manager of the nearby office of Ancasta Boat Sales. Since this time we have sold nearly 500 boats ranging from 19 to 75 feet.

Around Dartmouth

Dartmouth Castle

Impossible to miss, Dartmouth Castle provides the focal point for many postcard shots of the Dart Estuary. Dating from 1488, it once protected the town from potential naval attack by a combination of a chain slung across the river mouth and a formidable collection of artillery. The castle and **St Petrox Church** are a must-see for anyone visiting the town. They can be accessed either by taking a short walk/drive from the Harbour Office or by the Castle ferry from Dartmouth Quay (opposite Rockfish). Also a Café with spectacular views across the Castle.

This warm, secluded spot is perfect for tender plants from the Mediterranean, South Africa and New Zealand. The elegant house is a place of 1920s' elegance. Music playing in the rooms echoes the family's Gilbert and Sullivan connections and visitors can play the Blüthner piano in the Saloon. Directions

1. From Darthaven Marina, by the railway level crossing follow yellow - marked footpath alongside railway line. Head North with the river on your left.
2. At the Higher Ferry slipway, turn right over the level crossing and up road. Just beyond public toilets, bear right up ramp and steps to climb through woods.
3. At tarmac road at top, turn left along drive, signed 'Greenway Ferry and Maypool'.
4. At main road take footpath opposite and to left down steps and through woods. Take care crossing this road as ferry traffic turns at this sharp bend with limited visibility. At the tarmac drive take footpath opposite and to right, leading into Long Wood.
4. At t-junction in woods, turn left and follow track through woods above river. Track eventually curves to right and uphill. Turn left along terrace path.
5. After steep climb, turn left over stile and follow path. Part way down hill, cross into field to right over stile and continue down along hedge line.
6. At field exit turn left, signed 'Greenway Gardens ¾m'. Pass through gate and down track past houses. Turn left at road.
7. Continue along road and through gate. By Greenway Estate information panel turn right

LOCAL WALKS & TRAILS (CONTINUED)

through gate. Once over brow of hill bear left down field edge path. At the bottom turn right along Greenway Drive.

8. By the lodge house turn left down road to quay. Cross river via ferry. *Alternatively, retrace your steps to the Marina. There is a Café at Greenway House but entrance charges may apply*

9. Walk up road through Dittisham. After 350m, turn sharp left along Rectory Lane.

10. Turn right after 250m up track along public

footpath. After a further 100m, turn left over stile and follow path up along field edges.

11. Turn left at the road. (Alternative easier route from here: continue along road past Bozomzeal then turn right and follow waymarkers through fields and round edge of wood. Turn left down green lane to rejoin main route at the bottom).

12. Main route: After 250m, turn left, signed 'Permissive Path – Old Mill Creek'. Follow well-used track initially then follow waymarkers along field edges.

13. Where path meets green lane, turn left. After 200m, turn right down path which leads towards river. After crossing a stile cut diagonally down across next field, and through woods.

14. At bottom of steps bear left, and then left again where you join a further track.

15. At Old Mill Creek cross over bridge and follow road up out of valley.

16. At t-junction in Townstal, turn right along Archway Drive and then first left onto Townstal Crescent.

17. Cross main road at pedestrian crossing and turn left down hill. Turn first right along Church Rd and down hill.

18. Cross at next junction down Mount Boone. Fork right down Townstal Hill. At Vicarage Hill turn left down the narrow lane.

19. Turn right down steps of Brown's Hill and bear left. At the bottom, head towards the church tower. When you meet the road turn left. Cross into Royal Avenue Gardens and onto South Embankment. Just past Station Restaurant turn left onto pontoon. Take passenger ferry to Kingswear.
