Warranty and Extended Coverage

Your new Volvo Penta engine and transmission comes with a standard warranty. With the Extended Coverage you can prolong the period of full protection.

Volvo Penta International Limited Warranty

In the first 2 years, or the applicable number of running hours, our engine and transmission warranty commitment covers the complete engine package. In the following 3 years, it covers major components.

Extended Coverage

Extended Coverage for the complete Volvo Penta engine package is a complement to our International Limited Warranty. By offering repair or replacement of defective parts also for the years 3-5, it will keep you fully protected even after the standard warranty has expired. The Extended Coverage must be purchased in conjunction with warranty registration.

ENGINE (INCL. TRANSMISSION)	COVERAGE DURATION* (WARRANTY + EXTENDED COVERAGE)	
	MONTHS	HOURS
Gasoline engines (V6 + V8)	60	480
Diesel engines (D1 - D6)	60	1000
Diesel engines (D8 - D13)	60	2000

*Hours limitation according to Extended Coverage terms. Whichever occurs first.

Repower for a new boat life

Give your boat a new life by repowering with a new engine! Experience the advantages of reduced fuel consumption, more quiet operation, increased performance and charging capacity – and higher resale value.

Volvo Penta's complete repowering kits makes replacing an engine easier – often it's even possible to keep the existing drive. Contact your nearest Volvo Penta dealer to find out what applies to your drive package.
