Compact 9'6 Package

Half the size - double the adventure! A revolutionary board that offers convenience and performance - perfect for a weekend adventure, or an after-work paddle.

The 9' 6" Compact from Red Paddle Co is one of the most transportable SUP boards on the planet. Whether travelling by foot, bike, or public transport, you'll love how convenient it is transporting this board in a backpack.

Imagine how liberated you'll feel leaving your stuffy office, throwing on your Compact backpack and heading out towards the open sea or local river. Ten years in the making, this revolutionary board is a step forward in what an inflatable board can be. It's a full-sized SUP that folds down to half the size of a conventional inflatable paddle board.

Length - 9'6" Width - 32"/813mm Fins - twin click fin
 Thickness - 4.7"/120mm Volume - 160Ltrs Max Rider - 95kg/210lbs

Compact 11'0 Package

The 11'0 Compact is a full-sized touring SUP that packs down to half the size of a conventional inflatable paddle board.

Full of practical features and innovations, this board is an ideal match for paddlers who regularly travel with their board or want to adventure further with the convenience of an all-in-one package.

The increased length makes this board perfect for longer paddling adventures and paddlers travelling the world with their SUP. Designed with a more drawn out shape to increase glide, the 11'0 Compact is ideal for paddlers who want to travel and explore without limitation.

Length - 11'0" Width - 32"/813mm Fins - twin click fin
 Thickness - 4.7"/120mm Volume - 259Ltrs Max Rider - 110kg/242lbs

Compact 12'0 Package

Designed for the ultimate adventurer paddler

This board is an ideal match for paddlers who are passionate about going further and touring further than anyone before with the convenience of a compact all-in-one package.

The 12'0 increased length makes this board perfect for the ultimate explorer who wants to travel the world with their SUP. Designed with a drawn out shape to increase glide, the 12'0 Compact is ideal for paddlers who want to explore without limitation. Large volume make this board an ideal exploring and touring board, designed for competent paddlers.

The board has a quad stringer tensioning system and RSS battens giving maximum rigidity. The split deck pad means the board is easier than ever to fold and roll away into a super small package, making it the most transportable adventure SUP on the market. The board has a super-strong but supple outer layer that can be packed away neatly in its Compact backpack.

Length - 12'0" Width - 32"/813mm Fins - twin click fin
 Thickness - 4.7"/120mm Volume - 302Ltrs Max Rider - 110kg/242lbs
