## Ride 9'8" MSL Inflatable Paddle Board Package

The go-to board for smaller riders who want all-round performance in all types of conditions.

If you're looking for a versatile board that will perform in all conditions, then look no further than the 9'8" Ride from Red Paddle Co. A popular inflatable SUP with smaller riders, this board is designed for all-round use – whether you enjoy the thrill of paddling in the surf, or the tranquillity of calm lakes.

As the smallest of the Ride family, it's well-suited to lighter riders under 70kg/155lbs. However, that doesn't mean that heavier riders can't have fun on it too. At 9'8", it makes a great surf shape and can be used in waist to shoulder-height waves.

Length - 9'8"	Width - 31"/787mm	Fins - twin iFin
Thickness - 3.9"/100mm	Volume - 185Ltrs	Max Rider - 95kg/210lbs

## Ride 10'6" MSL Inflatable Paddle Board Package

The World's Most Popular Inflatable Paddle Board

So, you need an inflatable paddle board that will see you right in all conditions. Well, look no further. Red Paddle Co's multi-award-winning Ride 10'6" is our most popular board – available in a choice of colours....special edition purple or classic blue.

Imagine how at ease you'll feel paddling out to sea on this versatile board. It offers excellent durability along with superior stability, so can withstand even the wildest of water adventures.

This board is designed to glide over water in all conditions. Whether you feel like a leisurely paddle on the lake with friends, or an action-packed adventure in head-high surf, this board offers a smooth and predictable ride.

No matter what type of rider you are, you'll have endless fun on this all-round board. It's 120mm/4.7" thick, providing incredible stiffness that doesn't compromise on performance.

Length - 10'6"	Width - 32"/813mm	Fins - twin iFin
Thickness - 4.7"/120mm	Volume - 245Ltrs	Max Rider - 110kg/242lbs

## Ride 10'8" MSL Inflatable Paddle Board Package

Designed for heavier riders, or those who enjoy some company on the water (furry friends included)

For an inflatable paddle board that offers super stability and performance, look no further than our 10'8" Ride. With all the same qualities as our other Ride boards, you'll appreciate the extra stability that comes from its increased volume, especially if you are a novice looking to build your confidence on the water or are a slightly heavier rider.

Perhaps the biggest advantage of having an extra stable board is that you can easily carry a small passenger on board, which is why our 10'8" Ride is such a hit with family paddlers and those with furry friends.

Length - 10'8"	Width - 34"/863 mm	Fins - twin iFin
Thickness - 4.7"/120mm	Volume - 280Ltrs	Max Rider - 120kg/265lbs
